

Peter Engel

Kessler Consulting Inc.

USA

Jury Member

Georgia's Responsible Business Awards "Meliora" – 2018

Peter Engel has worked since 1987 in recycling, composting, and integrated solid waste management. From strategic planning and pilot projects to program development and optimization, Peter blends system-thinking and strong technical knowledge to help clients develop and implement practical solutions.

He has worked closely with a wide range of local and regional governments and industries to implement innovative solutions and best practices.

He is also an experienced trainer having worked with both management and operational personnel. Peter's work has included projects in Chile, Egypt, Tajikistan, Georgia, the Maldives, Bulgaria, Senegal, Liberia, and El Salvador as well throughout North America. He currently serves as a Project Manager with [Kessler Consulting](#), Inc.
