

Marianne Bogle

Executive Director for CSR Sweden

Sweden

Jury Member

Georgia's Responsible Business Awards "Meliora" - 2019

Marianne Bogle was born 1966 in Stockholm Sweden. Marianne Bogle holds a degree in economics, marketing and entrepreneurship from various universities, including American University in Cairo.

In 1998, Marianne started working for the Swedish Jobs and Society Foundation, which was one of the partners who founded CSR Europe in 1995. The foundation's main mission is to start new viable companies in Sweden.

Since 2003 Marianne is the **Executive Director for CSR Sweden**, the national partner to CSR Europe. CSR Sweden currently has 19 companies, active in Sweden as members. Together with the parent organization CSR Europe. Brussels, as well as all siblings around Europe, there are over 10,000 member companies in this network.

CSR Sweden primarily works with social issues such as inclusion issues at workplace and community, business and human rights, management and organizational issues. As a network, we focus on Agenda 2030 and the 17 sustainability goals. CSR Sweden always aims to work with all the sectors of the society.
